

GATE ACCESS & BOAT TRAILER REGISTRATION FORM

REALMANAGE
FAMILY OF BRANDS

INSTRUCTIONS: Please complete the following information and return to STJOHNSL@CIRAMAIL.COM

For the safety of our residents, all residential gate codes have been eliminated. There are four ways that residents are able to enter the gate restricted areas: 1) Using a window decal that is picked up by the gate sensor 2) By using the Call Box and having someone remotely open the gate 3) Using a FOB at the pedestrian gate. 4) Using a temporary assigned gate code. (Good for 24-48hrs) *When a guest calls you from the Call Box, simply press 9 on your phone to remotely open the gate. Be sure to save the incoming phone number to your contacts so that you can recognize a call coming from the SJLE Gate. Vendors who require access to the community can contact RealManage.*
